

Viking Integrated Safety Standard Disclaimer

The terms set forth are the sole terms for services provided by Viking Integrated Safety (“VIS”). VIS offers its services only as additional support to provide, among other things, instruction regarding installation and implementation of the product/s (“Product”) purchased by the buyer (“Client”) which may be implemented into the Client’s associated system (“System”). Any recommendation regarding the System provided by VIS is an indication only of what is a reasonable solution to meet the needs of the common application environments described and provided to VIS by the Client and is no guarantee of performance or suitability.

Any material list provided by VIS is for estimation and basic design purposes only. All materials may not be shown. It is the responsibility of the Client and its contractors to verify all quantities, specifications, drawings and other contract documents. Any suggested system configuration, setting or parameter is an indication and guide only within standard range and must be confirmed or modified by an engineer, consultant, or installer on site to be suitable for the exact environment in which the System is installed. It is recommended that the engineer, consultant, and/or installer confer with the corresponding AHJ, as needed.

In some cases, the recommendations provided by VIS for a System may not suit the unique set of conditions experienced in a particular application environment. VIS has not made any inquiry or undertaken any due diligence to ensure that any of the recommendations supplied will meet any particular application. VIS makes no warranty as to the suitability or performance of any recommendation for any System. VIS has not assessed the recommendation for a System for compliance with any laws, regulations, codes or standards that may apply, nor has VIS conducted any tests to assess the appropriateness of any recommendations for the System. Any person or organization accessing or using a recommendation made by VIS for a System should, at its own cost and expense, ensure that the recommendations comply in all respects with the provisions of all local, state or federal legislation, regulations, rules, codes, and standards then in force, and all orders or directions which may be made or given by any statutory or any other competent AHJ affecting the recommendations for the System.

VIS’s advice regarding solutions for design, installation, and implementation of any Product is a suggestion only and it is the responsibility of the Client to consult with applicable contractors, engineers or other professionals to verify the design and Product for code compliancy and site suitability with all required approvals. VIS IS NOT A CONSULTANT, ENGINEER, OR LICENSED ENTITY CAPABLE OF ADVISING ON CODE COMPLIANCE OR CONSTRUCTION. VIS WARRANTS SOLELY THAT IT WILL PROVIDE SUCH SERVICES ACCORDING TO THE SPECIFICATIONS PROVIDED BY THE CLIENT, AND SPECIFICALLY DISCLAIMS ANY AND ALL OTHER WARRANTIES WITH REGARD TO SUCH SERVICES PROVIDED BY VIS. CLIENT ACKNOWLEDGES THAT CLIENT IS NOT RELYING ON VIS IN ANY WAY FOR DESIGN OR ENGINEERING WITH RESPECT TO ITS SERVICES OR WITH REGARD TO THE PRODUCT IT MIGHT RECOMMEND, OR THE ADEQUACY OF THE SPECIFICATIONS PROVIDED BY CLIENT. CLIENT’S RESPONSIBILITY SHALL INCLUDE, BUT NOT BE LIMITED TO, RESPONSIBILITY FOR DETERMINING SUITABILITY OF THE PRODUCT USED, AND THE SERVICES PROVIDED BY VIS AND ITS COMPLIANCE WITH SYSTEM REQUIREMENTS WHEN INTEGRATED INTO A SYSTEM. VIS HEREBY DISCLAIMS ALL WARRANTIES WITH REGARD TO ANY THIRD PARTY ACTION, INCLUDING BUT NOT LIMITED TO INSTALLATION, ENGINEERING, OR CONSTRUCTION SERVICES.

No statement made by VIS either in this document or orally in relation to a recommendation for a System is to be construed as a material representation, undertaking or warranty. VIS shall not be liable to Client for any indirect, special, consequential, or other type of damages, whether foreseeable or unforeseeable, and whether based upon lost goodwill, lost profits, loss of use of money, work stoppage, impairment of other assets, or otherwise, and whether arising out of breach of warranty, breach of contract, strict liability in tort, negligence, misrepresentation, or otherwise in relation to the services provided, except only in the case of personal injury or property damage where applicable law requires liability.

Recommendations for the System are provided exclusively to assist other on-site professionals in design of systems. No portion of a recommendation for a System can be reproduced without the prior approval in writing of VIS. Client shall

ensure that its contractors, engineers, and other professionals abide by this provision. If applicable, any copyright or other associated intellectual property in any such recommendations for the System remains the property of VIS.

CLIENT SHALL INDEMNIFY, DEFEND AND HOLD VIS AND ITS AGENTS, AFFILIATES, ASSOCIATED ENTITIES, AND PARENT COMPANIES HARMLESS FROM ALL CLAIMS, LIABILITIES, AND EXPENSES, INCLUDING BUT NOT LIMITED TO REASONABLE ATTORNEY FEES, SUSTAINED BY VIS OR ITS AGENTS, AFFILIATES, ASSOCIATED ENTITIES, AND PARENT COMPANIES THAT ARE CAUSED BY ANY ACTION OF CLIENT OR ITS AGENTS RELATING TO THE SERVICES PROVIDED BY VIS TO CLIENT. CLIENT SHALL FURTHER DEFEND, INDEMNIFY AND HOLD VIS HARMLESS AGAINST ALL PRODUCT LIABILITY, PRODUCT RECALL, AND OTHER CLAIMS, LIABILITIES AND EXPENSES, INCLUDING BUT NOT LIMITED TO ACTUAL ATTORNEY FEES INCURRED BY VIS ARISING OUT OF ANY CLAIMED DESIGN, ENGINEERING OR OTHER ALLEGED DEFECT RELATED TO SPECIFICATIONS PROVIDED BY CLIENT OR ITS AGENTS TO VIS IN ASSOCIATION WITH VIS'S SERVICES.

The terms of this disclaimer shall be governed and construed in accordance with the laws of the State of Michigan, without reference to its conflict-of-law provisions. Client agrees to submit to the personal and exclusive jurisdiction of the state or federal courts located within Kent County, Michigan for any disputes with VIS.
